4 months

Barrel:

French oak

Wine-growing:

Organic

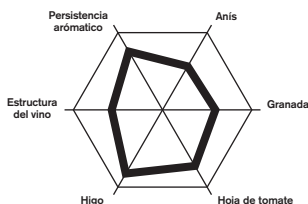

Habla la tierra is the gateway to the world HABLA. A wine in which we have sought to maintain our philosophy, making it available to the tighter pocket, however, a pleasure to enjoy every day.

Colour. Garnet intense cherry characteristic of all our wines, with violet rim. Bright and clean the glass, with dense tears.

Aroma. Looking for a different nose from the rest. Hints of tomato leaf, anise, and chamomile, evoke the land where the grapes ripen. The scent of latex reminds fig leaf springs fig: sweet and bitter.

Taste. Fresh and sparkling, evokes the feeling of eating a pomegranate, a fresh fruit aftertaste.

A temptation hard to refuse, at an amazing price that will appeal to the most discerning palate.
